
ASCS TODAY

By Tom Conrad

ASCS COMMITTEE ELECTIONS - On October 5, ASCS will mail all known eligible voters a letter and blank petition for you to nominate a candidate you want to run for Community Committeeman. I encourage you to use this opportunity to nominate your farm neighbors as candidates in the committee election.

The ASC committee provides the important service of administering government farm programs to the farm community. The election will be conducted by mail from November 24 to December 4. Eligible voters will be provided with instructions for filling out the secret ballot and returning it to the ASCS office.

Most resident farmers are eligible to hold office as ASC committeemen. If you would like detailed information concerning eligibility requirements, you should contact the ASCS office.

In filling out a petition, you should be careful to include the name of only one nominee, the signatures of at least three eligible ASC voters who support the nominee and certification that the nominee is willing to serve, if elected. Petition must contain this information, without it they will not be accepted. The completed petition should be dated and mailed or be delivered to the ASCS office no later than October 31.

Any concerned farmer with an interest in serving fellow farmers would be an asset to the ASC committee. For this reason, you are urged to petition for the farmers of your choice. The individual farmer will benefit in the long run from a responsible, concerned team of ASC committeemen in the local administration of U.S. government farm programs.

Wheat Set-Aside Program - 1979 - This should give you time to help you plan your fall planting. The program again this year is voluntary and if you do participate you can plant your crops in any amount so long as you don't plant more than your Normal Crop Acreage (NCA) minus the required set-aside.

The National loan rate for 1979 is $2.35 per bushel. The target price for 1979 is $3.40 per bushel. The required set-aside is 20 percent of the acreage planted for lowest as grain.

Basically all other program provisions will remain essentially the same as it was in 1978.

Redesignation Feried for Flue Tobacco - Flue-cured producers are reminded that the next warehouse redesignation period is October 2 - October 6. Those producers that redesignate may not sell their tobacco at the redesignated warehouse until October 16.

Local Students Inducted Into Honor Society

Elon Baptist Church of Pamplin City, announced today that two of their students have been inducted into **The Society of Distinguished American High School Students.**

Students who were inducted are Steve Cobb, a junior at Appomattox High School, and Katherine Elam, a junior at Prince Edward Academy.

The Society, which is one of the nation's foremost high school honoraries, inducted the students because of their demonstrated excellence in scholastic leadership and civic achievement according to Bill Trimyer, pastor.

The National Awards Program is sponsored by fifty-eight colleges from across the country. Thousands of dollars in scholarship funds from these institutions are made available to Society members each year. Sponsor Elon Baptist Church received a National Appreciation Award from the Society on behalf of the students and stated, "I am extremely proud of these exceptional students and the honor that they have received. It is a reward and should also be accepted as a challenge to them to continue their course of excellence."

One of the Society's guiding principles is to promote both academic and civic achievement on the high school level by recognizing students in its Membership Registry. **The Society of Distinguished American High School Students,** which is published annually, and distributed nationwide.

Armstrong "Fun Day"

By Becky Moore

Armstrong really had a "Fun Day" Saturday, September 16th, when they held their third annual picnic at Holiday Lake 4-H Camp.

They started at 2 p.m. and played games for children, softball, ping pong and bingo until 7 p.m. There was plenty of fried chicken, slaw, baked beans and peach cobbler. We even got Billy and Betty Conner in our pictures. Bill Lowe and his wife, Naomie, were there but they must have been camera shy along with Ruth and Bruce Cowan. We did get some good pictues and if your name doesn't fit your face, it's not all the Times-Virginian's fault because Betty Conner is not the only one that "switched name tags", Betty Drinkard helped with the action shots.

Milton Cyrus and Pete Johnson came to the rescue of a lady Saturday and saved "a marriage", when they helped a lady get her car started out at Holiday Lake after she left her lights on in her car for three hours!
